## **MISSIONARY**

#### Prayer Points for Falconer Trust - by Beryl Cairns

*Neil Starling, Dennis and Geoff Webb* will be visiting the Falconer Home for a fortnight in late June. They are not planning any particular projects, but are particularly keen to see what progress has been made with the roller mill and the petrol station, both of which should be a source of much-needed income. They hope the petrol station will already be back in action.

*Pray for Simon and his team* as they face so many challenges in running the Home, trying to be as self-sufficient as they can and providing for all the children's needs.

Pray for the continued safe passage of parcels – there have been many problems recently, causing food shortages for the children. There should be four batches to be collected soon. \*\* Stop Press: We heard just this week from the UK office that the next batch of parcels ready to be sent shortly will cost £1,500. Our last Harvest gift was sent specifcally designated for the parcel postage costs and was received with grateful thanks.

**N.B.** If you receive Falconer Trust Newsletters individually by post, it would save them postage if you cancelled your order & pick up one of the batch they send to the church.

#### News of the Young Family in Hebon School S. India via Billy & LInda

**Mark and Eve** \* Eve hasn't been too well recently, but kept going. She's improving now & feeling better. Her teacher training course is going well.

- \* In school it's exam time GCSEs and A levels,. Pray the students will do their best. Then they are gearing up for end of term later in June, children returning to their families in all parts of South Asia for the holidays.
- \*. Mark, Eve & the boys fly home for 6 weeks based in N.Wales, with a trip to N.Ireland.
- \* For PRAYER A great need for more International Guest Helpers for this August and Feb. 2018. They are short-term volunteers who back up the full-time staff in the dorms. & all kinds of practical work for 6mths or 1 year. Older teenagers on a gap year, someone taking time-out, or retirees...all are welcome. A great experience. Their service is necessary for the smooth running of the school. Ask God to call out those of His choosing.

**RAMADAN** - began yesterday. As neighbours fast during this month, let us pray with them, asking for them to find what they are longing for — but not where they are looking - in more duty & discipline, but in the grace of God revealed in Christ.

\* \* \* \* \* \* \* \* \* \* \* \* \* \* \* \*

Research suggests that increased numbers of Muslims finding Christ over the past 2 decades correlates with the growth in prayer for them during this month. May more individuals and churches join this concerted prayer for many to search for truth & find all their yearnings met in Christ. "Is anything too hard for the LORD?"
