MISSIONARY

WEBBER STREET

Day-centre for homeless and vulnerable people in London

- * Please pray for the homeless at this time of year, that God would protect them against the cold weather. Thank God for the various winter shelters available, including the day centres and rough sleeper centres which Crisis run over the Christmas period. Even though Crisis isn't a Christian charity, pray for gospel opportunities.
- * Pray for the various Bible talks which will be given at Webber Street over the next few weeks, may God speak to the guests and reveal himself to them.
- * Sadly one of the Webber Street guests is a victim of Modern Day Slavery and there have also been reports of criminals using day centres to recruit slave labour. Please pray that the Webber Street workers and volunteers would spot the signs and report any suspicious behaviour.
- * Pray for people facing homelessness for the first time, that they would find practical help for their immediate and medium-term needs, and help with addressing some of the related issues that have contributed to their present situation.
