MISSIONARY

GIRLS' BRIGADE = Linda Rice

We currently have 27 girls in the company, 4 full time leaders and 3 rota staff.

It hasn't been an easy year, but has none the less been blessed by the growing faith & understanding of God, seen in our girls. Our struggles with staffing have made it harder. After a lot of prayer for a new leader, it seemed a 'no' answer. I was encouraged by one of our rota staff, that maybe the answer was there, it just wasn't the one I was expecting.

After the Easter Break, we will be restructuring into 2 age groups. God's answer.

Please pray for a smooth transition for leaders and girls.

Pray for younger girls to join us, especially reception to year 3 age.

Pray for the girls in our Brigader's group facing GCSE & A level exams in May. There is so much pressure on them. We encourage them to trust God for all things.

Pray too for the leaders all so faithful in the work, but not without our own individual struggles and busy lives.

ASIA LINKS BEAUTIFUL FEET PROJECT

which supports evangelists right across Asia

BEAUTIFUL FEET works closely with Asian Leaders to identify & send workers who speak the language & understand the culture in the regions they are sent. The best people equipped for the task at hand. We support them in living costs, literature and equipment. We share here updates from evangelists working in 2 countries.

Pakistan - At Christmas time they held parties for 100's of children in villages, schools & slums. Each child received a present, food & the message of salvation was shared with children & their parents through dramas, dances & lots of fun.

We support some workers who face tight financial situations, We provided motor bikes for 2 workers. Previously they walked from village to village to share the gospel & encourage believers.

Nepal - We support Bishnu. He's a man constantly on the move across the Himalayan foothills for weeks at a time. He shares the good news about Jesus Christ from village to village. In this part of the world there are thousands who have never heard the name of Jesus & have devoted their lives to Hinduism & spirit-worship. Nepal now has laws restricting evangelism, so he has to be more careful as he shares the gospel. He was recently able to preach in the open & gave out to every house a warm blanket & the written word! Over a 100 houses, along with local government people were reached with the gospel. "Praise God. The Lord gave us another fruitful day"!

As they celebrate 20 yrs. of Asia Link ministry they, & we continue to remind ourselves of the Great Commission. The remaining unreached nations are proving most difficult.
