The battle for the Muslim mind is not being fought by radicals in Fallujah or in the mosques. It is being fought on the Net.

Prof. Gilles Kepel -

French Academic and Expert on Islam.

"I will make you fishers of men" **Bigger Net - More Fish !**

Today people from the Arab world (300 million) are searching for answers to faith on line. 38 million now have access to the World Web and 75 million on mobile phones..... The Gospel of Jesus Christ is within their reach!

Reaching the Digital Generation Building on 50 years experience in using radio, TV, literature & the Internet, **AWM** now have an unprecedented opportunity to reach more young Muslim young people than ever before,

* Engaging - with relevant material & attractive presentations: *" Friends tell me you send them a daily Bible verse . I would love to get it. Here's my number". M in Jordan*

* Evangelising - We keep our focus on Jesus. We encourage their questions & so guide them towards faith in Christ. *"Who is Christ? Is he really God? Where did he come from? Please reply quickly. This question is really bothering me." A from Egypt*

* Equipping - giving the opportunity for growth *" I've no other believers near me. My only consolation is to read the Bible, study your courses & play Christian songs." J in S.Arabia*

* **A cry for help from Mohammed in Algeria: "I believe in Christ, but no one else knows about my faith."** AWM were able to connect him with a believer in his town who reported: *"I met M. yesterday. He really was so happy to see me. He has been a secret believer since 2008. We had a long talk & prayed together. On Sunday he joined us at church. It was his first time with us and he was so happy."*

We believe that God loves Muslims of the Arab world. In obedience to Christ's command to make disciples of all nations, AWM has been reaching out for more than 125 years . AWM brochures with interesting articles are on the back table. Please take one..

*"Look at the nations and watch— and be utterly amazed.
For I am going to do something in your days that you
would not believe, even if you were told." Habakkuk 1:5*
