

MISSIONARY

Central African Republic

Peace deals are notoriously fragile in this most turbulent of African countries. In May, local militia killed dozens even after peace agreements were in place.

Pray for lasting God-driven peace for this conflict-torn nation.

Ask the Lord to help pastors and believers alike to be salt and light wherever they go and take a lead in Christlikeness, integrity and peace-making.

In a country of barely four million, more than 20% have either left their homes or left the country altogether. Almost 10% of the population have no access to the gospel.

Falconer Children's Home, Zambia

Please pray:

- for Simon, for his health, & for guidance in planning for the future.
- for the projects which are currently being carried out at the Home & at the farm.
- for progress on the electricity & water situation
- for the health & wellbeing of the children & young people.
- for the staff of the Home, as they seek to implement the various regulations imposed by the Zambia government.
