Dear Neighbour

We hope you have a good Christmas holiday and would love to see you at our Carol and Christmas services.

All of us are used to counting down days when we are excited about something taking place. Some of Christmas is spent counting down days. We count down the days to finish school or work, we count down the days until we are reunited with some family members. Counting down days doesn't just happen at Christmas though, we count down days when waiting for babies to be born. Surprisingly, when we talk about Jesus' birth at Christmas, we are talking about something that was waited on for centuries. The reason why this birth was worth the wait was because of who He is and what He came to do.

Come join us this Christmas as we explore the birth that was waited on for years.

Everyone is welcome.

Sincerely,
